Green Club Committee

A Green Club aims to foster environmental stewardship, promote sustainable resource use, and build eco-friendly communities through key activities like tree planting, waste management, and conservation awareness.

Core Objectives

- **Environmental Stewardship:** Inculcate values of protecting nature, reducing climate change impacts, and respecting local ecosystems.
- **Resource Efficiency:** Promote the smart, minimal use of natural resources like water, energy, and raw materials.
- **Campus & Community Action:** Transform educational institutes and local neighborhoods into clean, green, and sustainable spaces.
- **Leadership & Skills:** Empower students with practical problem-solving, teamwork, and advocacy skills for a green lifestyle.

Key Activities

- **Tree Plantation & Green Spaces:** Organize sapling plantation drives and maintain herbal or botanical campus gardens.
- **Waste Management:** Set up waste segregation, recycling bins, up cycling workshops, and vermicomposting pits.
- **Resource Conservation Audits:** Conduct water and energy audits and promote rainwater harvesting and plastic-free campaigns.
- **Awareness & Campaigns:** Celebrate global events like World Environment Day and Earth Day via rallies, debates, and street plays.
- **Nature Exploration:** Arrange field trips, eco-camps, nature walks, and bird-watching sessions
