Red Ribbon Club (RRC) committee

Red Ribbon Club is a platform enhance the knowledge levels about HIV/AIDS transmission and to encourage peer to peer messaging on HIV prevention and to provide a safe space for young people to seek clarifications of their doubts and on myths surrounding HIV/AIDS. The RRCs also promote Voluntary Blood Donation (VBD) among youths.

Objectives

- To reduce HIV infection among youth by raising their risk perception through Behaviour Change Communication (BCC)
- To induce among youth the spirit to help and support people living with HIV/AIDS (PLHIVs) thereby reduce stigma and discrimination against PLHIVs.
- To motivate youth and build their capacity as peer educators (PE) and change agents by developing their skills on leadership, negotiation and team building.
- Promote voluntary blood donation among young people
- Help young people develop life skills to live healthier lives
- Equip young people with the knowledge to make informed decisions about their health
- Develop leadership, negotiation, and team building skills in young people

Activities conducted by RRCs

Red Ribbon Club programme with the main objective of bringing about behaviour change in young minds employs various strategies like:

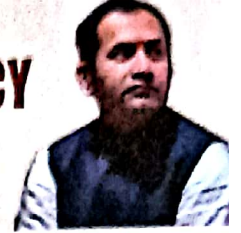

- Peer education and leadership trainings to the RRC volunteers
- As per the directions issued by the National AIDS Control Organization (NACO), New Delhi, every year MSACS organizes various competitions for college students and HIV/ AIDS awareness campaigns such as Rallies and Outreach activities during events like International Youth Day (IYD), World AIDS Day (WAD), National Youth Day (NYD), National Voluntary Blood Donors Day (NVBD), World Blood Donation Day (WBD) and International Women's Day (IWD), Different Health Awareness Programs.
- Interactions with positive people, Transgender and ICTC Counselors.
